Meeting called to order by secretary Natalie Hannum at 10:04PST

**Region 9:** Ray Shackelford and Dan Coffman- just starting to get information back for the region 9. They have gone to all of states and territories using the chancellor system to get an idea of other stakeholders such as fire departments and similar agencies.

Ray Shackelford working with Dan Turner at Cal Poly SLO, a four year university, and Cal Poly will be sharing information gathered within Region 9.

**Region 2:** Pat Bigoss: 19 colleges in New Jersey have been identified in New Jersey. He is still working on the list and expects to have it completed by early fall.

**Region 10:** John Glass- he has 10 provinces and 3 territories. There are no 2-year associate degrees, all are universities that have diploma program (3 year programs) or four year degrees. There are also 3 and 4 year certificate programs.

To assist with information gathering in the future, Natalie Hannum stated she would draft a template with standardized questions and run it by the IAFESHE executive board to be approved and distributed to the region reps. Information to gather includes:

Fire Management/Administration  
Fire Engineering  
Public Safety or related degrees such as emergency management  
Public Administration  
Other-

**Website:** Tommy will be taking over the website with the help of Linda Davis. Tommy will work with Don and get the information to Linda to put on the website.
